How will you evaluate the project?

How will you publicise Sea-Changers' funding of this project?

Sea-Changers is keen to understand and promote collaborative working between projects, including sharing of research data. How does, or could, your project link with similar projects or its findings be shared?

Project budget

Please provide a detailed breakdown of the project budget including an explanation of how the money you are applying for will be spent. We will not consider any application that does not include this information.

Is the funding request is part of a larger project?

If 'Yes'

a) Please state clearly the overall budget needed for your project; what other funds you are currently applying for/have secured and specifically what our funding will be used for within the wider project.

b) What will you do if you are not successful in other funding applications and how will this impact on the project?

If your organisation is part of a larger parent organisation, why is the parent organisation not (fully) funding the project?

General Information

Is your organisation a registered charity?

If 'Yes', what is your charity registration number?	
If 'No', what kind of legal entity is your organisation?
